

ABOUT ME

I am a versatile prop & environment C.A.D. professional, specializing in 3.D. modeling & technical drawing for fabrication. I pride myself on the precision, clarity, & organizational methods of my work. I am most often complimented on my attention to detail & strong work ethic. I never shy away from a challenge or new opportunity, & I believe the most effective problem solving occurs through creative collaboration.

KATE LISEWSKI

3D MODELING, DRAFTING, & SET DESIGN

E-Mail: KateLisewski2@gmail.com Phone: (845) - 392 - 4724

EXPERIENCE

LAIKA STUDIO

Positions: Jr. Set Designer; September 2023 - April 2024.

Draftsperson; April 2022 - August 2023.

Utilized various C.A.D. software to design, model, & draft sets & props for Laika Studio's upcoming stop-motion animation film *Wildwood*.

Coordinated with multiple departments to ensure sets were designed to meet ever-changing specifications.

S.C.A.D. SCENIC DESIGN WORKSHOP

Position: Work-Study Shop Moderator; March 2019 - June 2021.

Utilized wood-working & shop tools to construct set pieces & props for theatrical productions according to draft drawings.

Assisted with design edits & practiced shop safety, proper maintenance, & upkeep.

CONSULTING: RESTAURANT DESIGN

2021-present.

Specialized in optimizing flow & operations by rearranging floor plans, table counts, seat counts, and equipment layouts.

Made recommendations for staffing based off of flow of traffic & sales.

SERVICE & HOSPITALITY INDUSTRIES

Positions: Server, Bartender, Captain, Corporate Trainer; 2012 - 2026.

Provided exceptional customer service, remained level-headed under heavy time constraints, balanced both individual table responsibilities & broad needs of the working environment.
